# YOUR COMPANY PLAN IN THE UAE

**Oman Insurance Company (OIC)** has a **network** over 1,200 healthcare providers in the UAE (excluding Abu Dhabi\*), and **Bupa Global** has expertise in health insurance administration all over the world. This collaboration between the two companies ensures that members get full access to medical **treatment** throughout the UAE.

Accessing **OIC's network** of healthcare providers enables **you** to receive direct settlement when receiving eligible **treatment** at one of the providers in the **OIC network**.

\*Due to regulations, **you** must pay and claim for all **treatment** in Abu Dhabi. If **you** reside or work in Abu Dhabi and require **treatment** there, please contact us first on: Bupa Global Customer Services +44 (0) 1273 323 563

## Who is eligible?

**You** will have access to direct settlement for eligible in-patient and **day-case treatment** in the **OIC network** of providers in the UAE if **you** are covered under one of the following International Company plans:

- Company Essential
- Company Classic
- Company Classic with Routine Dentistry

In addition to the above, direct settlement for eligible **out-patient treatment** will be available if **you** are covered under one of the following International

Company plans:

- Company Gold
- Company Gold with Routine Dentistry
- Company Gold Superior
- Company Gold Superior with Routine Dentistry and Optical Re-imburement

## How do I get access?

**You** need to complete the UAE Local **Network** Access Request form in **your** welcome pack and return it to **Bupa Global**. **You** will then be sent an **OIC Network** Access card that enables **you** access to and direct settlement for eligible **treatment** at the **OIC network** of **hospitals** and providers in the UAE.

## What next?

Once **you** receive **your OIC Network** Access card, please read the 'How to use **your OIC Network** Access card in the UAE' section. For **treatment** outside of the UAE, read the 'How to use **your Bupa Global** membership card' section.

If **you** are not eligible for, or choose not to apply for an **OIC Network** Access card, please read the 'How to use **your Bupa Global** membership card' section for all **treatment**.

# HOW TO USE YOUR OIC NETWORK ACCESS CARD IN THE UAE

This section and all information in dark blue in this booklet provides information on how to use **your OIC Network Access card** in the UAE.

Claims for **treatment** received within **OIC Network** in the UAE will be managed by **OIC**, whilst claims for **treatment** received outside the UAE will be managed by **Bupa Global**.

Please note, **you** should only use **your OIC Network Access card** in the UAE. If **you** are travelling outside of the UAE, please read 'How to use **your Bupa Global membership card**' section for details on how to use **your Bupa Global membership card**.

## Membership Cards For treatment in the UAE

When **you** have completed and returned **your UAE Local Network Access Request form**, **you** will receive an **OIC Network Access card**. When **you** receive **treatment** anywhere within the UAE, **you** should present this card.

If **you** lose **your OIC Network Access card** or **you** forget to bring it with **you** when **you** receive **treatment** in the UAE, then the **treatment** provider may not agree to direct settlement of **your** claim. However, provided **your treatment** is covered, **you** can still pay the **treatment** provider and then claim with an **OIC** reimbursement claim form. Please read 'How to Claim' below for further details.

## For treatment outside the UAE

**You** should present the **Bupa Global membership card** that **you** received when **you** joined the plan when **you** receive **treatment** outside the UAE. This card includes **your** name and membership number. If **you** lose either of **your** membership cards then please contact **us** immediately. For details on how to claim in the UAE, read 'Making a claim' further on in this section. For details on how to claim outside the UAE, read the 'Making a claim' section further on in this booklet.

## Returning your OIC Network Access card

**You** must return **your OIC Network Access card** in the following situations:

- if **your** residency is changed to an address outside the UAE
- if **your** level of cover changes
- if **your** membership ends

Please also read 'Ending **your** membership' in the 'Your membership' section.

## Getting treatment in the UAE

Through this International Company Plan and **OIC Network Access card** **you** will have access to **OIC's network** of over 1,200 UAE healthcare providers, including **hospitals**, clinics, laboratories and pharmacies. This is the UAE provider **network**, which is continually being developed to offer **you** access to appropriate healthcare. If **you** receive **in-patient treatment** at a UAE **network** provider using **your OIC Network Access card**, **your** medical provider will pre-authorise **your treatment** with **OIC** and submit their bill for any eligible **treatment** to **OIC** for payment.

\* MembersWorld may not track claims in the USA as we use a third party here.

Please read the following section, which lists the 'pay and claim' benefits. 'Pay and claim' means **you** must pay for the eligible **treatment** and then submit a claim for reimbursement to **OIC** for **treatment** in the UAE (or to **Bupa Global** for **treatment** outside the UAE). Please see 'Making a claim' below for further details.

## Gold and Gold Superior

**You** will also be able to receive direct settlement for eligible **out-patient treatment** as well as **in-patient treatment**.

## Classic and Essential

Direct settlement is limited to eligible **in-patient treatment** only. If **you** receive **out-patient treatment**, **you** will be asked to 'pay and claim'.

## Gold Superior, Gold, Classic and Essential

Some benefits are excluded from the direct settlement within the **OIC Network**. For these benefits, **you** will be asked to pay 'pay and claim'.

## Pre-authorisation

**We** want to make paying for **your treatment** as easy as possible. After all, when **you** aren't feeling well, the last thing **you** need is to have to worry about form filling and paying bills. Pre-authorisation by **your in-network** healthcare provider can take all of that stress away from **you**. **We** then pay **your** healthcare provider directly (direct settlement) and **you** do not need to be troubled. In-patient and **day-case treatment** must be pre-authorised.

**We** will not be able to pre-authorise **your treatment** if it is not covered. Please contact **Bupa Global** if **you** are unclear about why **we** could not pre-authorise **your treatment** on this number: The Medical Centre on +44 (0) 1273 333 911.

## How does it work?

- Make sure **you** have **your OIC Network Access card** with **you** when **you** go for **treatment**,

otherwise **you** may have to pay yourself and submit a claim for reimbursement.

- Give **your** card to **your in-network** healthcare provider or pharmacist when **you** arrive.
- The information needed is on the card. When necessary they will contact **OIC** directly for pre-authorisation.
- **OIC** will confirm whether the **treatment you** are having is covered and that **your** membership is in order, issue a pre-authorisation and arrange for direct settlement wherever possible.
- If **your** cover does not include direct settlement for the **treatment you** need, or **your treatment** is with a non-**network** provider, **you** will be asked to pay yourself and submit a claim for reimbursement. Please see below for details as to how to do this.

## Making a claim Direct settlement

If **your treatment** is eligible for direct settlement **you** will not need to submit a claim.

Instead, **your** healthcare providers will submit the claim and **we** will settle the bills directly with them on **your** behalf.

## If you need to make a claim

If **you** have received any **treatment** marked 'pay and claim', or are a Classic or Essential member and have received **out-patient treatment** **you** will need to make a claim. Reimbursement claim forms are available on request from **OIC**.

If **you** need to submit a claim, this should be sent to the following address:

**Bupa Global Claims Administration  
Oman Insurance Company (P.S.C)  
Health Department  
PO Box 5209, Dubai, UAE**

# FOR TREATMENT IN THE UAE IN THE OIC NETWORK

Note: If **you** have Classic cover, all **out-patient treatment** is 'pay and claim'.

Note: If **you** have Gold cover, eligible **out-patient treatment** can be settled directly.

## THE FOLLOWING BENEFITS ARE ONLY 'PAY AND CLAIM':

Wellness — mammogram, PAP test, prostate cancer screening or colon cancer screening (after one year's membership)

Full Health Screening — cholesterol, blood pressure, diabetes, anaemia, lung function, liver and kidney function, cardiac risk assessment and hearing tests (after one year's membership)

# HOW TO USE YOUR BUPA GLOBAL MEMBERSHIP CARD

## Step 1: Where to get treatment

As long as it is covered by **your** plan, **you** can have **your treatment** at any recognised **hospital** or clinic. If **you** don't know where to go, please contact **our** Healthline service for help and advice.

## Participating hospitals

To help **you** find a facility, **we** have also developed a global **network** of over 7,500 medical centres, called participating **hospitals** and clinics. The list is updated regularly, so please visit [www.bupa-intl.com](http://www.bupa-intl.com) for the latest information. **We** can normally arrange direct settlement with these facilities (see Step 3 below).

## Getting treatment in the USA

**You** must call **our Service Partner** on 800 554 9299 (from inside the US), or +1 800 554 9299 (from outside the US) to arrange any **treatment** in the USA.

## Step 2: Contact us

If **you** know that **you** may need **treatment**, please contact **us** first. This gives **us** the chance to check **your** cover, and to make sure that **we** can give **you** the support of **our** global **networks**, **our** knowledge and **our** experience.

## Pre-authorising in-patient treatment and day-case treatment

**You** must contact **us** whenever possible before **in-patient treatment** or **day-case treatment**, for pre-authorisation. This means that **we** can confirm to **you** and to **your hospital** that **your treatment** will be covered under **your** plan.

Pre-authorisation puts **us** directly in touch with **your hospital**, so that **we** can look after the details while **you** concentrate on getting well. The 'Pre-authorisation' section contains all of the rules and information about this.

When **you** contact **us**, please have **your** membership number ready. **We** will ask some or all of the following questions:

- what condition are **you** suffering from?
- when did **your** symptoms first begin?
- when did **you** first see **your family doctor** about them?
- what **treatment** has been recommended?
- on what date will **you** receive the **treatment**?
- what is the name of **your consultant**?
- where will **your** proposed **treatment** take place?
- how long will **you** need to stay in **hospital**?

If **we** can pre-authorise **your treatment**, **we** will send a pre-authorisation statement that will also act as **your** claim form (see Step 3 below).

## Step 3: Making a claim

Please read the 'Making a claim' section for full details of how to claim. Here are some guidelines and useful things to remember.

# ABOUT YOUR MEMBERSHIP

## What to send

**We** must receive a fully completed claim form and the original invoices for **your treatment**, within six months of the **treatment** date.

If this is not possible, please write to **us** with the details and **we** will see if an exception can be made.

## Your claim form

**You** must ensure that **your** claim form is fully completed by **you** and by **your medical practitioner**. The claim form is important because it gives **us** all the information that **we** need. Contacting **you** or **your medical practitioner** for more information can take time, and an incomplete claim form is the most common reason for delayed payments.

**You** can download a claim form from **our** MembersWorld website, or contact **us** to send **you** one. Remember that if **your treatment** is pre-authorised, **your** pre-authorisation statement will act as **your** claim form.

## How we make payments

Wherever possible, **we** will follow the instructions given to **us** in the payment section of the claim form:

- **we** can pay **you** or the **hospital**
- **we** can pay by cheque or by electronic transfer
- **we** can pay in over 80 currencies

To carry out electronic transfers, **we** need to know the full bank name, address, SWIFT code and (in Europe only) the IBAN number of **your** bank account. **You** can give **us** this information on the claim form.

## Tracking a claim

**We** will process **your** claim as quickly as possible. **You** can easily check the progress of a claim **you** have made by logging on to **our** MembersWorld\* website.

## Claim payment statement-MyClaim

When **your** claim has been assessed and paid, **we** will send a statement to **you** to confirm when and how it was paid, and who received the payment. If **you** subscribe to **our** secure MembersWorld website, **you** can view **your** documents online, upload **your** claims and view **your** claims statement.

**Oman Insurance Company** is working together with **Bupa Global** to bring **you** the International Company Plan, which is **insured** by **Oman Insurance Company**, and administered by **Bupa Global**.

This International Company plan is a group insurance plan. **You** are therefore one of a group of members, which has a **sponsor** (normally the company that **you**, the principal member work for).

This plan is governed by an **agreement** between **your sponsor** and **Oman Insurance Company**, which covers the terms and conditions of **your** membership. This means that there is no legal contract between **you** and **Oman Insurance Company**. Only the **sponsor** and **Oman Insurance Company** have legal rights under the **agreement** relating to **your** cover, and only they can enforce the **agreement**.

As a member of the plan, **you** do have access to **our** complaints process. This includes the use of any dispute resolution scheme **we** have for **our** members.

The following must be read together as they set out the terms and conditions of **your** membership:

- **you**, the principal member's application for cover: this includes any quote request, applications for cover for **you** and **your dependants** (if any) and the declarations that **you**, the principal member made during the application process

- **your** rules and benefits in the 'How to use **your** plan' booklet and 'Table of benefits' booklet within **your** membership pack
- **your** membership certificate

The full name of **your** insurer is shown on **your** membership certificate.

## When your cover starts

The start date of **your** membership is the 'effective from' date shown on **your** membership certificate.

## If you move to a new country or change your specified country of nationality

**You**, the principal member must tell **your sponsor** straight away if **your specified country of residence** or **your specified country of nationality** changes. **Your** new country may have different regulations about health insurance. **You**, the principal member need to tell **your sponsor** of any change so that **we** can make sure that **you** have the right cover.

# PRE-AUTHORISATION

This section contains rules and information about what pre-authorisation means and how it works.

## What pre-authorisation means

If **we** pre-authorise **your treatment**, this means that **we** will pay up to the limits of **your** plan provided that all of the following requirements are met:

- the **treatment** is eligible **treatment** that is covered by **your** plan
- **you** have an active membership at the time that **treatment** takes place
- **your** subscriptions are paid up to date
- the **treatment** carried out matches the **treatment** authorised
- **you** have provided a full disclosure of the condition and **treatment** required
- **you** have enough benefit entitlement to cover the cost of the **treatment**
- **your** condition is not a **pre-existing condition** (see the 'What is not covered?' section in **your** 'Table of benefits' booklet)
- the **treatment** is medically necessary
- the **treatment** takes place within 31 days after pre-authorisation is given

Note: from time to time we may ask you for more detailed medical information, for example, to rule out any relation to a pre-existing condition

## Treatment we can pre-authorise

**We** can pre-authorise **in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, CT or PET scans.

## Direct settlement/pay and claim

Direct settlement is where the provider of **your treatment** claims directly from **us**, making things easier for **you**. The alternative is for **you** to pay and then claim back the costs from **us**.

**We** aim to arrange direct settlement wherever possible, but it has to be with the agreement of whoever is providing the **treatment**. In general, direct settlement can only be arranged for **in-patient treatment** or **day-case treatment**.

Direct settlement is easier for **us** to arrange if **you** **pre-authorise your treatment** first, or if **you** use a participating hospital or clinic.

## Length of stay (in-patient treatment)

**Your** pre-authorisation will specify an approved length of stay for **in-patient treatment**. This is the number of nights in **hospital** that **we** will cover **you** for. If **your treatment** will take longer than this approved length of stay, then **you** or **your consultant** must contact **us** for an extension to the pre-authorisation.

## Treatment in the USA

All **in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, CT or PET scans in the USA must be pre-authorised. If **you** are going to receive any of these **treatments**, ask **your** medical provider to contact **Bupa Global** for pre-authorisation. All the information they need is on **your** membership card.

**We** have made special arrangements if **you** need to have **treatment** or be hospitalised or visit a doctor in the USA. These include access to a select **network** of quality medical providers and direct settlement of all covered expenses when **you** receive **treatment** in a **network hospital**.

## Treatment which has not been pre-authorised

If **you** choose not to get **your treatment** in the USA pre-authorised, **we** will only pay 50 percent towards the cost of covered **treatment**.

Of course **we** understand that there are times when **you** cannot get **your treatment** pre-authorised, such as in an **emergency**. If **you** are taken to **hospital** in an **emergency**, it is important that **you** arrange for the **hospital** to contact **us** within 48 hours of **your** admission. **We** can then make sure **you** are getting the right care, and in the right place. If **you** have been taken to a **hospital** which is not part of the **network** and, if it is the best thing for **you**, **we** will arrange for **you** to be moved to a **network hospital** to continue **your treatment** once **you** are stable.

If **we** have been notified within 48 hours of an **emergency** admission to **hospital**, **we** will not ask **you** to share the cost of **your treatment**.

## Out of network treatment

If **your treatment** in the USA has been pre-authorised, but **you** choose not to go to a **network hospital**, **we** will only pay 80 percent towards the cost of covered **treatment**.

There may be times when it is not possible for **you** to be treated at a **network hospital**. These include:

- where there is no **network hospital** within 30 miles of **your** address, and
- when the **treatment** **you** need is not available in the **network hospital**

In these cases, **we** will not ask **you** to share the cost of **your treatment**.

## Important rules

Please note that pre-authorisation is only valid if all the details of the authorised **treatment**, including dates and locations, match those of the **treatment** received. If there is a change in the **treatment** required, if **you** need to have further **treatment**, or if any other details change, then **you** or **your consultant** must contact **us** to pre-authorise this separately. **We** make **our** decision to approve **your treatment** based on the information given to **us**. **We** reserve the right to withdraw **our** decision if additional information is withheld or not given to **us** at the time the decision is being made.

# MAKING A CLAIM

At times of ill health, **you** want to concentrate on getting well. **We** will do everything **we** can to make **your** claim as simple and straightforward as possible.

If **you** are an **OIC Network** Access card holder looking to make a claim for **treatment** in the UAE, please read the 'Your Company plan in the UAE' section of this guide. If **you** are making a claim for **treatment** outside of the UAE, please follow the directions below.

## How to make a claim

### Claim forms

Your claim form is important as it gives **us** the information that **we** need to process **your** claim. If it is not fully completed **we** may have to ask for more information. This can delay payment of **your** claim.

**You** must complete a new claim form:

- for each member
- for each condition
- for each in-patient or day-case stay, and
- for each currency of claim

If a condition continues over six months, **we** will ask for a further claim form to be completed.

### What to send us

**You** need to return the completed form to **us** by post, with the original invoices, as soon as possible. This must be within six months of receiving the **treatment** for which **you** are claiming. Invoices sent to **us** after six months will not normally be paid.

### Requests for further information

**We** may need to ask **you** for further information to support **your** claim. If **we** do, **you** must provide this. Examples of things **we** might ask for include:

- medical reports and other information about the **treatment** for which **you** are claiming

- the results of any medical examination performed at **our** expense by an independent **medical practitioner** appointed by us
- written confirmation from **you** as to whether **you** think **you** can recover the costs **you** are claiming from another person or insurance company

If **you** do not provide the information that **we** ask for, **we** may not pay **your** claim in full.

Please also read about correspondence in the 'Your membership' section.

### Important

When making a claim please note:

- **you** must have received the **treatment** while covered under **your** membership
- payment of **your** claim will be under the terms of **your** membership and up to the benefit levels shown, that apply to **you** at the time **you** receive the **treatment**
- we will only pay for **treatment** costs actually incurred by **you**, not deposits or advance invoices or registration/administration fees charged by the provider of **treatment**
- we will only pay for **treatment** costs that are reasonable and customary
- we do not return original documents such as invoices or letters. However, **we** will be pleased to return copies if **you** ask **us** when **you** submit **your** claim.

### False information

If there is reasonable evidence that any person has misled **us** or attempted to mislead **us**, either at the time of joining or when making a claim, by:

- giving false information
- keeping necessary information from **us**, or
- working with another party to give false information either intentionally or carelessly and which may influence **us** in deciding:
- whether **you** (or they) can join the plan
- what subscription has to be paid, or
- whether **we** have to pay any claim

**We** shall have the right, where appropriate and at **our** sole and absolute discretion to end **your** membership, including the membership of any additional people included in **your** plan and seek to recover any claim payments which have previously been made. **We** may refund any subscriptions **you** have paid which relate to a period after **your** membership ends. However, **we** are entitled to deduct money **you** may owe **us** from any refund. **We** may also refer the case for legal action and/or law enforcement agencies.

**We** may alternatively:

- add new personal restrictions or exclusions to **your** cover, and/or
- deny payment against any pending claims

**We** will not add any personal restrictions or exclusions to **your** cover, for any disease, illness or injury that started after **you** joined the plan as long as **you**:

- gave **us** all the information **we** asked for before **you** joined, and
- have not applied to add any new options to **your** cover.

### Confirmation of your claim

**We** will always send confirmation of how **we** have dealt with a claim. If applicable, for child **dependants** (those aged under 18 years), **we** will write to the **principal member**. If the claim is for **treatment** received by the **principal member**, or an adult dependant (those aged over 18 years), **we** will write directly to the individual concerned.

### How your claim will be paid

Wherever possible, **we** will follow the instructions given to **us** in the 'Payment details' section of the claim form.

### Who we will pay

**We** will only make payments to the member who received the **treatment**, the provider of the **treatment**, the **principal member** of the membership or the executor or administrator of the member's estate. **We** will not make payments to anyone else.

### Payment method and bank charges

**We** will make payment where possible by electronic transfer or by cheque. Payments made by electronic transfer are quick, secure and convenient. To receive payment by electronic transfer, **we** need the full bank account, SWIFT code, bank address details and (in Europe only) IBAN number to be provided on the claim form.

**We** will instruct **our** bank to recharge the administration fee relating to the cost of making the electronic transfer to **us** but **we** cannot guarantee that these charges will always be passed back for **us** to pay. In the event that **your** local bank makes a charge for a wire transfer **we** will aim to refund this as well. Any other bank charges or fees, such as for currency exchange, are **your** responsibility, unless they are charged as a result of **our** error.

Cheques are no longer valid if they are not cashed within 12 months. If **you** have an out-of-date cheque, please contact customer services, who will be happy to arrange a replacement.

### Payment currency and conversions

**We** can pay in the currency in which **your sponsor** pays **your** subscriptions, the currency of the invoices **you** send **us**, or the currency of **your** bank account.

**We** cannot pay **you** in any other currency.

Sometimes, the international banking regulations do not allow **us** to make a payment in the currency **you** have asked for. If so, **we** will send a payment in the currency of **your sponsor's** subscriptions.

If **we** have to make a conversion from one currency to another **we** will use the exchange rate that applies on either the date on which the invoices were issued or the last date of the **treatment**, whichever is later.

The exchange rate used will be the average of the buying and selling rates across a wide range of quoted rates by the banks in London on the date in question. If the date is not a working day **we** will use the exchange rate that applies on the last working day before that date.

### Other claim information Discretionary payments

**We** may, in certain situations, make discretionary or 'ex gratia' payments towards **your treatment**. If **we** make any payment on this basis, this will still count towards the overall maximum amount **we** will pay under **your** membership. Making these payments does not oblige **us** to pay them in the future.

**We** do not have to pay for **treatment** that is not covered by **your** plan, even if **we** have paid an earlier claim for a similar or identical **treatment**.

### Overpayment of claims

If **we** overpay **you** for **your** claim, **we** reserve the right to deduct the overpaid amount from future claims or seek repayment from **you**.

### Claiming for treatment when others are responsible

**You** must complete the appropriate section of the claim form if **you** are claiming for **treatment** that is needed when someone else is at fault, for example in a road accident in which **you** are a victim. If so, **you** will need to take any reasonable steps **we** ask of **you** to assist **us** to:

- o recover from the person at fault (such as through their insurance company) the cost of the **treatment** paid for by **Bupa Global**, and
- o claim interest if **you** are entitled to do so

### Note: Subrogation

In certain circumstances, for example, if **you** are the victim of an accident, **your** insurer (or any person or company **we** nominate) will have the full 'right of subrogation'. This means that **we** can assume **your** right to recoup the cost of **treatment(s)** that **we** have paid from the person at fault (or their insurance company). In the event of any payment of any claim under **your** membership, **we** or any person or company that **we** nominate may therefore be **subrogated** to all **your** rights of recovery and of any person entitled to the benefits of **your** coverage. **You**

will need to sign and deliver all documents or papers, and anything else that is required to secure these rights. **You** must not take any action which could damage or affect these rights.

### Claiming with joint or double insurance

**You** must complete the appropriate section on the claim form, if **you** have any other insurance cover for the cost of the **treatment** or benefits **you** have claimed from **us**. If **you** do have other insurance cover, this must be disclosed to **us** when claiming, and **we** will only pay **our** share of the cost of the **treatment** or benefits claimed.

# ASSISTANCE COVER

## (optional if purchased)

This section contains the rules and information for Assistance cover, an optional benefit which helps **you** if **you** need to travel to get the **treatment** that **you** need.

Note: there are two levels of Assistance cover: Evacuation and Repatriation. **Your** membership certificate will show if **you** have Evacuation or Repatriation but **you** can visit the MembersWorld website or contact the customer services helpline if **you** are unsure.

## What is Assistance cover?

The Evacuation and Repatriation options both cover **you** for reasonable transport costs to the nearest appropriate place of **treatment** where the **treatment** that **you** need is available, if it is not available locally. Repatriation also gives **you** the option of returning to **your specified country of nationality** or **your specified country of residence**.

**We** may not be able to arrange Evacuation or Repatriation in cases where the local situation makes it impossible, unreasonably dangerous or impractical to enter the area; for example from an oil rig or within a war zone.

## Assistance cover-general rules

The following rules apply to both the Evacuation and Repatriation levels of cover:

- o **you** must contact **our** appointed representatives for confirmation before **you** travel, on +44 (0) 1273 333 911
- o **our** appointed representatives must agree the arrangements with **you**
- o Assistance cover is applicable for **in-patient treatment** and **day-case treatment** only

- o the **treatment** must be recommended by **your consultant** or **family doctor** and, for medical reasons, not available locally
- o the **treatment** must be eligible under **your** plan.
- o **you** must have cover for the country **you** are being treated in, for example the USA
- o **you** must have the appropriate level of Assistance cover in place before **you** need the **treatment**

Evacuation or Repatriation will not be eligible if **you** were aware of the symptoms of **your** condition before applying for Assistance cover.

**We** will not approve a transfer which in **our** reasonable opinion is inappropriate based on established clinical and medical practice, and **we** are entitled to conduct a review of **your** case, when it is reasonable for **us** to do so. Evacuation or Repatriation will not be authorised if this would be against medical advice.

## How to arrange your Evacuation or Repatriation

Arrangements for Evacuation or Repatriation will be made by **our** appointed representatives and must be confirmed in advance by calling + 44 (0) 1273 333 911. **You** must provide **us** with any information or proof that **we** may reasonably ask **you** for to support **your** request. **We** will only pay if all arrangements are agreed in advance by **Bupa Global's** appointed representatives.

## Evacuation cover: what we will pay for

If **you** have Evacuation cover it will be shown on **your** membership certificate. If **you** are still unsure **you** can visit **our** MembersWorld website or contact the customer services helpline.

- o **We** will pay in full for **your** reasonable transport costs for **in-patient treatment** or **day-case treatment**. It may also be authorised if **you** need advanced imaging or cancer **treatment** such as radiotherapy or chemotherapy.
- o **We** will only pay for Evacuation to the nearest place where the required **treatment** is available. This could be to another part of the country that **you** are in, and may not be **your** home country.
- o **We** will pay for the reasonable travel costs for another **Bupa Global** member to accompany **you**, but only if it is medically necessary.
- o **We** will also pay for the reasonable costs of **your**, and the accompanying member's, return journey to the place **you** were evacuated from. All arrangements for **your** return should be approved in advance by **us** or **our** appointed representatives and the journey must be made within fourteen days of the end of the **treatment**. **We** will pay for either:

- o the reasonable cost of the return journey by the most direct route available by land or sea, or
- o the cost of an economy class air ticket by the most direct route available, whichever is the lesser amount
- o **we** will pay reasonable costs for the transportation only of **your** body, subject to airline requirements and restrictions, to **your** home country, in the event of **your** death while **you** are away from home. **We** do not pay for burial or cremation, the cost of burial caskets etc, or the transport costs for someone to collect or accompany **your** remains

Note: **we** do not pay for any other costs related to the evacuation such as hotel accommodation or taxis. Costs of any **treatment** **you** receive are not payable under Evacuation cover, but are payable from **your** medical cover as described in the 'What is covered?' section of **your** 'Table of benefits' booklet.

Please also note that for medical reasons the member receiving **treatment** may travel in a different class from their companion.

# ANNUAL DEDUCTIBLES

Please read this section if **you** have an **annual deductible** on **your** plan.

Please note that **you** cannot have access to the **OIC network** of providers if **you** have a deductible on **your** plan.

## Repatriation cover: what we will pay for

If **you** have Repatriation cover it will be shown on **your** membership certificate. If **you** are still unsure **you** can visit **our** MembersWorld website or contact the customer services helpline. Repatriation cover also includes Evacuation cover — see above.

- **We** will pay in full for **your** reasonable transport costs for **in-patient treatment** or **day-case treatment**.
- **We** will pay for repatriation to **your specified country of nationality** or **your specified country of residence**.
- **We** will pay for one repatriation for each illness or injury per lifetime.
- **We** will pay the reasonable costs for a relative or **your** partner to accompany **you** to **your specified country of nationality** or **your specified country of residence** if **we** have authorised this in advance of the repatriation.
- **We** will also pay an allowance of up to GBP 25, USD 50 or EUR 37 per day for up to 10 days to cover the living expenses of the person accompanying **you**.
- **We** will pay for **you** and the person accompanying **you** to return to where **you** were repatriated from. All arrangements for **your** return must be approved in advance by **Bupa Global** or **our** appointed representatives and **you** must make the return journey within fourteen days of the end of the **treatment you** were repatriated for.

**We** will pay either:

- the reasonable cost of the return journey by the most direct route available by land or sea, or
- the cost of a scheduled return economy class air ticket by the most direct route available, whichever is the lesser amount
- **we** will pay reasonable costs for the transportation only of **your** body, subject to airline requirements and restrictions, to **your** home country, in the event of **your** death while **you** are away from home. **We** do not pay for burial or cremation, the cost of burial caskets etc, or the transport costs for someone to collect or accompany **your** remains

Note: **we** do not pay for any other costs related to the repatriation such as hotel accommodation or taxis. Costs of any **treatment you** receive are not payable under Repatriation cover, but are payable from **your** medical cover as described in the 'What is covered?' section of **your** 'Table of benefits' booklet.

Please also note that for medical reasons the member receiving **treatment** may travel in a different class from their companion.

## Important – please remember that:

- the **annual deductible** applies separately to each person included on **your** membership
- even if the amount **you** are claiming is less than the **annual deductible**, **you** should still submit a claim to **us**
- this is an **annual deductible**, therefore, if **your** first claim is towards the end of **your membership year**, and **treatment** continues over **your renewal date**, the **annual deductible** is payable separately for **treatment** received in each **membership year**
- if **your** claims are paid direct to **your** medical provider, **you** are responsible for paying any deductible shortfall to the provider after the claim has been assessed and paid

## What is an annual deductible?

The **annual deductible** is the total value that **your** eligible claims must reach each **membership year** before **we** will start to pay any benefit.

For example, if **you** have an **annual deductible** of GBP 500, the total value of **your** eligible claims must reach GBP 500 before **we** will pay any benefit.

The **annual deductible** applies separately to each person on **your**, the **principal member's** membership.

The amount of **your annual deductible** will be shown on **your** membership certificate, which **you** can view online at **our** MembersWorld website. If **you** are unsure whether **your** cover includes an **annual deductible**, please contact **our** customer services helpline.

At any point **you** can check the amount of **your** remaining **annual deductible** by contacting **our** customer services helpline.

**Annual deductibles** are only available on the following levels of cover:

- Essential
- Classic
- Gold

The following levels of cover do not qualify for **annual deductibles**:

- Classic with dental
- Gold with dental
- Gold Superior
- Gold Superior with optical and dental

The following products do not qualify for **annual deductibles**:

- Maritime
- Oil and Gas

# YOUR MEMBERSHIP

This section contains the rules about **your** membership, including when it will start and end, renewing **your** plan, how **you**, the **principal member** can change **your** cover and general information.

## How an annual deductible works

If a claim is smaller than **your** remaining **annual deductible**, **you** must still submit it to **us** as normal. **We** will not pay any benefit, but the claim will count towards reaching **your annual deductible**. **We** will send **you** a statement informing **you** how much is left.

If an eligible claim exceeds **your** remaining **annual deductible**, **we** will pay the amount of the claim less the remaining **annual deductible**.

Once **your annual deductible** is reached, **we** will pay all eligible claims in full, up to the benefit limits of **your** plan.

## How claims are paid to you

If **you** submit a claim and have asked **us** to pay **you**:

- o **your** benefit will be paid less the amount of the **annual deductible**
- o **we** will send **you** a statement showing how **your** claim has been settled, including any amounts set against the **annual deductible**.

## How claims are paid direct to your medical provider

If **you** have asked **us** to make a payment direct to **your** medical provider:

- o **we** will send payment to the medical provider for the eligible claim. **We** will deduct from this payment the remaining **annual deductible** on **your** membership
- o **we** will send **you** a statement as usual, confirming the amount that **we** have paid towards **your** claim
- o **you** are responsible for paying any shortfall to the provider after **your** claim has been assessed and paid

**You** are responsible for paying the **annual deductible** in all circumstances.

## Paying subscriptions and other charges

**Your sponsor** has to pay any and all subscriptions due to **OIC** under the **agreement**, together with any other charges (such as insurance premium tax) that may be payable.

## Starting and renewing your membership

### When your cover starts

**Your** membership starts on the 'effective date' shown on the first membership certificate that **we** sent **you**, the principal member for **your** current continuous period of International Company membership.

### Renewing your membership

The renewal of **your** membership is subject to **your sponsor** renewing **your** membership under the **agreement**.

## Ending your membership

**Your sponsor** can end **your**, the **principal member's** membership, or that of any of **your dependants** (if applicable), from the first day of a month by writing to **us**. **We** cannot backdate the cancellation of **your** membership.

**Your** membership will automatically end:

- o if the **agreement** between **OIC** and **your sponsor** is terminated
- o if **your sponsor** does not renew **your** membership

- o if **your sponsor** does not pay subscriptions or any other payment due under the **agreement** for **you** or for any other person
- o if the membership of the **principal member** ends
- o upon the death of the **principal member**

## If you move to a new country or change your specified country of nationality

**You**, the **principal member** must tell **your sponsor** straight away if **your specified country of residence** or **your specified country of nationality** changes. **We** may need to end **your** membership if the change results in a breach of regulations governing the provision of healthcare cover to local nationals, residents or citizens.

The details of regulations vary from country to country and may change at any time.

In some countries **we** have other local partners who are licensed to provide insurance cover but which are administered by **Bupa Global**. This means that customers experience the same quality **Bupa Global** service.

If **you** change **your specified country of residence** to a country where **we** have a local partner, in most cases **you** will be able to transfer to **our** partner's insurance policy without further medical underwriting. **You** may also be entitled to retain **your** continuity of your **OIC** or **Bupa Global** membership; which means that for those benefits which aren't covered until **you** have been a member for a certain

period, the time **you** were a member with **us** will count towards that. Please note that if **you** request a transfer to a local partner, **we** will have to share **your** personal information and medical history with the local partner.

If **you** change **your specified country of residence** or **your specified country of nationality**, please call the **Bupa Global** customer services helpline so **we** can confirm if **your Bupa Global** membership is affected, and, if so, whether **we** can offer **you** a transfer service.

### Important – please read

**OIC** or **Bupa Global** can end a person's membership and that of all the other people listed on the membership certificate if there is reasonable evidence that any person concerned has misled, or attempted to mislead **us**. By this, **we** mean giving false information or keeping necessary information from **us**, or working with another party to give **us** false information, either intentionally or carelessly, which may influence **us** when deciding:

- whether **you** (or they) can join the plan
- what subscriptions **you** have to pay
- whether **we** have to pay any claim

### After your Company membership ends

**You**, the **principal member** can apply to transfer to a personal **OIC** or **Bupa Global** administered plan if **your** membership of **your** group plan ends. **You** can also apply for **your dependants** (if applicable) to transfer with **you**. Please contact the customer service helpline for more information.

### Making changes to your cover

The terms and conditions of **your** membership may be changed from time to time by **agreement** between **your sponsor** and **OIC**.

### Amending your membership certificate

**We** will send **you**, the **principal member** a new membership certificate if:

- with the **sponsor's** approval, **you**, the **principal member** add a new dependant to **your** membership (if applicable)
- we need to record any other changes requested by **your sponsor** or that **we** are entitled to make

**Your** new membership certificate will replace any earlier version **you** possess as from the issue date shown on the new membership certificate.

### General information

#### Other parties

No other person is allowed to make or confirm any changes to **your** membership on **our** behalf, or decide not to enforce any of **our** rights.

No change to **your** membership will be valid unless it is confirmed in writing. Any confirmation of **your** cover will only be valid if it is confirmed in writing by **OIC** or **Bupa Global**.

If **you**, the **principal member** change **your** correspondence address, please contact **us** as soon as reasonably possible, as **we** will send any correspondence to the address **you** last gave **us**.

#### Correspondence

Letters between **us** must be sent by post and with the postage paid. **We** do not return original documents, with the exception of official documents such as birth or death certificates. However, if **you** ask **us** at the time **you** send any original documents to **us**, such as invoices, **we** can provide certified copies.

#### Applicable law

**Your** membership is governed by the laws of the United Arab Emirates (UAE). Any dispute that cannot otherwise be resolved will be dealt with by courts in the UAE.

If any dispute arises as to interpretation of this document then the Arabic version of this document shall be deemed to be conclusive and taking precedence over any other language version of this document. The Arabic version of this document can be obtained at any time by contacting **our** customer services helpline.

#### Liability

Neither **OIC** nor **Bupa Global** shall be responsible for any loss, damage, illness and/or injury whatsoever, that may occur as a result of any action carried out directly or through a third party, to assist in the provision of services covered by these rules.

#### Sanction Clause

Neither **OIC** or **Bupa Global** shall provide cover or be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **OIC** and/or **Bupa Global** to any sanction, prohibition or restriction under United Nations resolutions, or trade or economic sanctions, laws or regulations of the European Union, United Kingdom, United States of America, United Arab Emirates and/or all other jurisdictions where **OIC** and/or **Bupa Global** transacts its business.

# ADDING DEPENDANTS

## Important - please read

**You** will not be able to add **dependants** on the following products:

- Maritime
- Oil and Gas

## Adding dependants

If **your sponsor** agrees, **you**, the **principal member** may apply to include any of **your** family members under **your** membership as one of **your dependants**. To apply **you**, the **principal member** will need to complete an Adding Members form.

Newborn children can only be included on **your** membership from their date of birth if **you** have completed an Adding Members form, and **we** have received the form before **your** child is 90 days old, provided the child has not been born as a result of **assisted reproduction technologies, ovulation induction treatment**, adopted or born to a surrogate.

Newborn children born as a result of **assisted reproduction technologies, ovulation induction treatment**, adopted or born to a surrogate can be included from their 91st day on completion of an Additional members or Application form.

The medical history for any newborn children **you** apply to include on **your** membership will be reviewed by **our** medical underwriters. This may result in special restrictions or exclusions which will apply from the child's 91st day of life, or **we** may decline to offer cover.

This also applies to newborn children who have been born as a result of **assisted reproduction technologies, ovulation induction treatment**, adopted or born to a surrogate or being enrolled on their own membership who can be included from their 91st day on completion of an Additional Members or Application form.

## When cover starts for others on your membership

If any other person is included as a dependant under **your**, the **principal member's** membership, their membership will start on the 'effective date' on the first membership certificate **we** sent **you** for **your** current continuous period of international group membership which lists them as a dependant. Their membership can continue for as long as **you**, the **principal member** remain a member of the plan.

If **you**, the **principal member's** membership ceases, **your dependants** can then, of course, apply for membership in their own right.

If there is a change in the treatment required, if you need to have further treatment, or if any other details change, then you or your consultant must contact us to pre-authorise this separately. We make our decision to approve your treatment based on the information given to us. We reserve the right to withdraw our decision if additional information is withheld or not given to us at the time the decision is being made.

# WHAT IS COVERED?

Please read this important information about the kind of costs that **we** cover.

## Treatment that we cover

For **us** to cover any **treatment** that **you** receive, it must satisfy all of the following requirements:

- it is at least consistent with generally accepted standards of medical practice in the country in which **treatment** is being received
- it is clinically appropriate in terms of type, duration, location and frequency, and
- it is covered under the terms and conditions of the plan

**We** will not pay for **treatment** which in **our** reasonable opinion is inappropriate based on established clinical and medical practice, and **we** are entitled to conduct a review of **your treatment**, when it is reasonable for **us** to do so.

## Active treatment

This plan covers **you** for the costs of **active treatment** only. By this **we** mean **treatment** of a disease, illness or injury that leads to **your** recovery, conservation of **your** condition or to restore **you** to **your** previous state of health as quickly as possible.

Note: please see 'Wellness' and 'Full Health Screening' in the table of benefits and 'Preventive and wellness **treatment**' in the 'What is not covered?' section for information on preventive **treatment**.

## Reasonable and customary charges

**We** will pay for reasonable and customary costs. This means that the costs charged by **your treatment** provider should not be more than they would normally charge and be representative of charges by other **treatment** providers in the same area\*.

## Table of benefits

The table of benefits shows the benefits, limits and the detailed rules that apply to **your** plan. **You** also need to read the 'What is not covered?' section so that **you** understand the exclusions on **your** plan.

## Variations to your benefits

**Your sponsor** may have agreed variations to this benefit table with **your** insurer. If so, **your sponsor** will inform **you** of these variations.

## How to read the Table of benefits

There are four levels of cover: Essential, Classic, Gold and Gold Superior. **You** need to read the column in the Table of benefits that applies to **your** level of cover, as shown on **your** membership certificate.

\* Guidelines for fees and medical practice (including established **treatment** plans, which outline the most appropriate course of care for a specific condition, operation or procedure) may be published by a government or official medical body. In such cases, or where published insurance industry standards exist, **we** may refer to these when assessing and paying claims. Charges in excess of published guidelines or reasonable and customary costs may not be paid.

### Benefit limits

There are two kinds of benefit limits shown in this table. The 'overall annual maximum' is the maximum **we** will pay for all benefits in total for each person, each **membership year**. Some benefits also have a limit applied to them separately; for example home nursing.

Gold Superior cover only: on the Gold Superior level, this 'overall annual maximum' also incorporates an annual maximum per condition.

All benefit limits apply per member. If a benefit limit also applies per **membership year**, this means that once a benefit limit has been reached, that benefit will no longer be available until **you**, the **principal member** renew **your** plan and start a new **membership year**.

If a benefit limit applies for the whole of **your** membership, once this benefit limit has been reached, no further benefits will be paid, regardless of the renewal of **your** plan.

### Currencies

All the benefit limits in this table of benefits and notes are set out in three currencies: GBP, USD and EUR. The currency in which **your sponsor** pays **us** subscriptions is the currency that applies to **your** membership for the purpose of the benefit limits. The currency applicable for **your** contract is as shown on **your** membership certificate.

For example, if **your sponsor** pays **us** subscriptions in GBP then the benefit limits given in GBP apply to **your** membership and USD and EUR limits do not apply to **you**.

If **you** are unsure which level of cover **you** have, the currency that applies to **your** membership, or whether **you**, the **principal member** have an **annual deductible**, **you** can either check on **your** membership certificate, through **our** MembersWorld website or contact the customer services helpline.
