Receive real-time text alerts about your prescriptions. Refill reminders, order status updates, and savings opportunities can be sent by email or text. [Communication preferences](#)>>

We Deliver Confidence

Having your medications delivered saves time and money – and provides peace of mind.

No worries

Licensed pharmacists review all orders for accuracy and safety. And they're available to answer your questions.

No hassles

You may have your prescriptions delivered to your home, office or anywhere else.

Save time

Order online or use our mobile app. No trips to the pharmacy or standing in line.

Save money

Save with standard free shipping and 90-day supplies delivered to your door.

Getting started with Mail Service is easy. Simply:

Keep current with your account

Get important updates and quickly refill your Rx through text message.
