

# Be prepared for the unexpected.

## Accidental Death and Dismemberment insurance.

Consider the effects a severe injury could have on your ability to work or complete daily tasks. Would your family be prepared if you needed ongoing care, rehabilitation or if you were to pass away as a result of a catastrophic injury?

Accidental Death and Dismemberment (AD&D) insurance from New York Life Group Benefit Solutions (NYL GBS) can help provide you and your family the financial protection and peace of mind at a time when you may need it most.

### Why is AD&D insurance important?

Serious accidents can occur during the most common activities like working around the house or taking a family vacation. AD&D insurance from Group Benefit Solutions can help pay for the unexpected costs that may arise from a covered accident. It can help pay for:

**Child care and education**

**Spouse job training**

**Rehabilitation or trauma counseling**

**Home alterations and vehicle modification**

### Who's eligible and how much coverage can I buy?

All active full-time employees regularly working a minimum of 20 hours per week are eligible to apply.

### If I sign-up, how does it work?

- › After you select a coverage amount and enroll in AD&D insurance from Group Benefit Solutions, you'll pay for your chosen coverage amount through convenient payroll deductions.
- › Once enrolled, if you or a covered family member are seriously injured or pass away from a covered accident, you or your beneficiaries will receive a set amount.
- › However, this coverage shouldn't be a replacement for life insurance or primary medical insurance as it provides accident-only coverage.
- › Depending on the severity of an injury, the plan may pay a percentage of the total benefit for a covered accident that doesn't lead to loss of life.
